this book advances the study and practice of ethics management through seminal analyses of the who how why when and where of corruption in accessible and direct language thirty foremost scholars and experts from across the globe translate robust theory into actionable programs and policies global corruption and ethics management translating theory into action is focused on integrating research from a diverse array of scholars and translating it into proactive skills the empirical content is presented clusters of short chapters each cluster or section is followed by a synopsis of skills for implementation based upon this new knowledge the scope of the content encompasses the work of top scholars and experienced professionals from across the globe to strategically outline the mercurial nature of corruption its causes the systems and practices that facilitate it its short and long term consequences new measures for assessing and diagnosing remedies and steps that can be taken to prevent it scholars and students can use it as a jumping off point for further research and practitioners can immediately expand their repertoire of tools in preventing and fighting corruption through implementation of the skills synopses further incorporating accessible instructors tools will dramatically shift the benchmark for studying and implementing

global corruption and ethics management there is no other book on corruption and ethics management with the empirical gravitas variety of application tools and with this level of accessibility

issues relating to bedding mating love making or sex which spouses find extremely difficult to talk about and which have irredeemably torn many peaceful marriages into pieces are given a comprehensive step by step analysis in the book *halāl sex and intimacy* for couples who have been in marriage for years the ones whose relationships are still young and those who just got enrolled into the institution reading through the pages of this painstakingly researched and meticulously written treatise would apparently make sex a new experience it is no dull moment from its beginning to its end as the words used are clearly simple and frankly nailed give it a try and you would never regret you did

incorporating the most up to date literature in psychology sociology psychoanalysis and communication this book provides an exhaustive synthesis of theoretical empirical and clinical research on personal relationships prager explores the complex interconnections between intimacy and individual development examining relationships from infancy to old age in their social cultural and gender contexts and constructing an innovative multi tiered model of intimate relating the book also delves into the thoughts and emotions people experience when they behave intimately with each other and asks how intimate relationships come to be satisfying stable and harmonious for the people involved highlighting provocative questions for future research the psychology of intimacy is a valuable resource for advanced undergraduate and graduate courses on personal relationships intimacy and family psychology

it won't be an exaggeration to say that the whole movement of the civilization is centered around sex and yet it is the least understood aspect of our everyday life this lack of understanding has lead to centuries of suppression and sensationalism which is at the root of all kinds of insanity a sensitive mind perceives in their life at one point the author says know the body but don't say no to the body just to point at our acquired heedlessness towards the body this book becomes an ideal medium through which one can appreciate the intricacies of a sexual relationship and rise above the social taboo it is a collection of discourses given by acharya prashant where he not only probes deeper into the physical as well as social aspects of the human relationships but with the touch of the mystical he gives us a glimpse of an altogether new way of living

the hope for intimacy lies deep within us all that moment of feeling uniquely understood the antidote to isolation is what gives us value validation and self belief but as ziyad marar shows in this fascinating and engaging study intimacy is a tricky business the prevalence of social media for example is a sign of our desire for human connection yet is a symptom of how little we truly achieve it often confused with love intimacy is in many ways more important marar's investigation and celebration of this elusive but profound human experience shows how intimacy is central to a life well lived but how do we spot the real thing marar helpfully identifies a key set of ingredients reciprocity conspiracy heightened emotion kindness that when brought together enable the

strongest experiences of intimacy without these four characteristics in the mix we are experiencing something less or something else drawing on a wide range of sources from key thinkers as well as telling examples from familiar films and novels marar illustrates the subtlety and intricacies of intimacy and shows how closely it is bound up with notions of trust control risk and our own insecurities intimacy argues marar is a necessary component of a fulfilled life yet we should not take for granted that we know what it is and how to get it a better understanding of this powerful experience and the many barriers to achieving it may just help us to brave the search for it for anyone bold enough to do so which should be all of us intimacy is required reading

it is the saddest night for i am leaving and not coming back jay is leaving his partner and their two sons as the long night before his departure unfolds he remembers the ups and downs of his relationship with susan in an unforgettable and often pitiless reflection of their time together he analyses the agonies and the joys of trying to make a life with another person

the encyclopedia of human development is the first comprehensive authoritative and informative reference work that presents state of the art research and ready to use facts from the fields of psychology individual and family studies and education in a way that is not too technical with more than 600 entries this three volume encyclopedia covers topics as diverse as adolescence cognitive development education family gender differences identity longitudinal research personality development prenatal development temperament and more

we all crave an authentic experience of intimacy though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves in the seven levels of intimacy matthew kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy matthew reveals that each relationship is built upon a pattern of interaction in the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts we grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings developing trust with this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone at last we are deeply intimate and both willing and able to reveal our deepest fears we are beyond judgment and feel trust and acceptance by moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved it is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness the seven levels of intimacy is a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship

with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner with profound insight and the use of powerful everyday examples matthew kelly explains how we can nurture the intimacy in our relationships the seven levels of intimacy redefines how we view our interactions with others this new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for

one of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in intimacy trusting oneself and the other hit and run relationships have become common in our society as it has grown more rootless less tied to traditional family structures and more accepting of casual sex but at the same time there arises an undercurrent of feeling that something is missing a quality of intimacy this quality has very little to do with the physical though sex is certainly one possible door far more important is a willingness to expose our deepest feelings and vulnerabilities with the trust that the other person will treat them with care ultimately the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed even if that trust is betrayed we will not suffer any permanent damage in this gentle and compassionate guide osho takes his readers step by step through what makes people afraid of intimacy how to encounter those fears and go beyond them and what they can do to nourish themselves and their relationships to support more openness and trust osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

from kindergarten we were taught mathematics and other subjects in school throughout the formative period of a child rarely is the child taught bedmatics in school whenever issues related to bedmatics come up it is usually discussed perfunctorily for fear of corrupting the child this is commendable anyway because a child needs to be denied certain information considered too critical for his level of thinking and development but same is not true for adult every adult should be rooted in the knowledge of bedmatics especially as he she gets entangled i know at this point you will be wondering what i mean by bedmatics oooooops i need your curiosity aroused to that level bedmatics 101 is packaged to give you an all round education about sex put differently it is a sex education package it is designed to give you superb and exceptional enlightenment on all issues about sex intimacy and vital issues in marriage committed relationships because of intended holistic approach to ensure adequate coverage of broad issues in sex education this book will come in series this is the first in the series where we laid a solid foundation for far more interesting educating and entertaining packages coming up in other series sex education is very important for every successful marriage committed relationship because sex is like a glue that binds couples together emotionally physically psychologically and physiologically sex education becomes inevitable for every adult both single and married as we roll out the

books in series we shall dissect and lay bare the science and art of sex the books will also touch on other vital issues relating to intimacy in marriage reproductive health sexual problems solutions emotional problems solutions and a lot more information in this book and subsequent ones are top notch as they are sieved from over 20 years of professional experience as a sexologist marriage counselor as well as painstaking scientific researches unlike other books out there that feed you with unbalanced diet this book comes with full nutrients and can be considered a complete package all you need do is to keep tab as we roll out the series one after the other and enjoy the intellectual delicacies for the betterment of your life and intimate relationships

this book in a step by step progression shows a better way to breaking the cycle and cultivating better relationships it teaches women how to recognize when they are in a sextimacy event as opposed to the beginning of a mutually fulfilling relationship that won t leave them racked with morning after regrets
